Subject: Microsoft Settlement

Dear U.S. Dept. of Justice,

I strongly oppose the proposed settlement with Microsoft corporation,
and endorse the criticisms of both Ralph Nader and James Love,
<http://www.cptech.org/at/ms/rnj12kollarkotellynov501.html>, as well
as those by Dan Kegel <http://www.codeweavers.com/~jwhite/tunney.html>

Sincerely,

Joshua J. Stern
